

Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Nazreen Bibi

PIN: 16E0276E

Part(s) of the register: Registered Nurse - Mental Health Nursing

Relevant Location: Cambridgeshire

On 17 February 2022 we received a referral raising a concern about Nazreen Bibi's fitness to practise. It's alleged that she conducted inadequate patient assessments and/or produced poor quality and inaccurate assessment reports for children while working in an autism assessment team.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Nazreen Bibi has yet been found substantively proved by one of our statutory committees.

On 10 December 2025 we received an application from Nazreen Bibi for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Nazreen Bibi's application for agreed removal, I've taken into account:

- Nazreen Bibi's application for agreed removal dated 9 December 2025
- the case examiner decision letter dated 28 March 2025
- comments received from the person that made the allegation against Nazreen Bibi
- the interests of Nazreen Bibi
- the public interest.

I'm satisfied that:

- Nazreen Bibi no longer intends to work as a registered nurse
- the allegations against Nazreen Bibi aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time

- the public interest is best served by agreeing the application for removal and enabling Nazreen Bibi to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **10 March 2026**. In the event that Nazreen Bibi seeks readmission to the register, we may consider the matters that led to this agreed removal further.
