Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order.

2. You must not be the nurse in charge of any shift.
3. You must ensure that you are directly supervised by a Registered Nurse any time you are administering or authorising chemotherapy until you are assessed as competent by a Registered Nurse of Band 7 or above.

You must send a copy of this competency to your NMC case officer within seven days of being assessed as competent.

4. You must ensure that you are supervised by a Registered Nurse any time you are working. Your supervision must consist of:
 - a. Working at all times on the same shift and the same site as, but not always directly observed by another registered nurse.

 - a. Record keeping

6. You must send a report to your NMC case officer prior to any review hearing from your line manager, supervisor or your nominated mentor. This report should detail the following:

 - c. Patient Assessment including the use of relevant protocols, policies and guidelines
 - d. Professional competence and conduct and compliance with the NMC's professional standards and values
7. You must keep the NMC informed about anywhere you are working by:
 - a) Telling your case officer within seven days of accepting or leaving any employment.
 - b) Giving your case officer your employer's contact details.

 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
9. You must immediately give a copy of these conditions to:
 - a) Any organisation or person you work for.
 - b) Any employers you apply to for work (at the time of application).
 - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.

- a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.

The panel decided to confirm this interim conditions of practice order and it will run for the remainder of the current interim order.

Unless Ms Bzymek's case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, Ms Bzymek or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review, the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim conditions of practice order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

In certain circumstances, it may be possible for the interim conditions of practice order to be reviewed by a reviewing panel at an administrative meeting. Ms Bzymek's case officer will write to her about this in due course.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against Ms Bzymek. The NMC will write to Ms Bzymek when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to Ms Bzymek in writing.

That concludes this determination.
