## **Decision and reasons on interim order**

The panel decided to confirm the current interim conditions of practice order.

Unless there has been a material change of circumstances, a panel will review the interim conditions of practice order at an administrative meeting within the next six months. The reviewing panel will be invited by the NMC to confirm the order at this meeting and Mr Clarke will be notified of that panel's decision in writing following that meeting.

Alternatively, Mr Clarke is entitled to have the interim conditions of practice order reviewed at a hearing. This means that Mr Clarke will be able to attend and make representations, send a representative on his behalf or submit written representations about whether the order continues to be necessary. Mr Clarke must inform his case officer if he would like the interim conditions of practice order to be reviewed at a hearing.

Even if Mr Clarke does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Mr Clarke and his representative will be invited to attend.

This decision will be confirmed to Mr Clarke in writing.

That concludes this determination.
