## Decision and reasons on interim order

The panel decided to make an interim conditions of practice order for a period of 18 months.

As such it has determined that the following conditions are proportionate and appropriate:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must work for one substantive employer. This must not be an agency or bank work.
2. You must not be the nurse in charge of any shift.
3. You must be directly supervised at all times by another registered nurse any time you are administering, managing, handling, or reviewing medication.
4. Your direct supervision, as set out in condition 3 above, must continue until you are assessed and deemed competent by another registered nurse of at least Band 6 or equivalent in:
  - a) Administering medication
  - b) Managing medication
  - c) Handling medication
  - d) Reviewing medication

Once you are signed off as competent, evidence of this must be sent to the NMC within 7 days.

5. At all other times, you must be indirectly supervised by another registered nurse. Your supervision must consist of working on the same shift as, but not necessarily directly observed by, another registered nurse.
  
6. You must undertake fortnightly meetings with your line manager, mentor, or supervisor to discuss and reflect on your progress in relation to the following:
  - a) Medication management
  - b) Observations
  - c) Communication and escalation
  - d) Documentation
  
7. You must provide the NMC a report from your line manager, mentor, or supervisor detailing your progress in relation to the following:
  - a) Medication management
  - b) Observations
  - c) Communication and escalation
  - d) Documentation

This report must be provided prior to any NMC review hearing.

8. You must keep the NMC informed about anywhere you are working by:
  - a) Telling your case officer within seven days of accepting or leaving any employment.
  - b) Giving your case officer your employer's contact details.

9. You must keep the NMC informed about anywhere you are studying by:
  - a) Telling your case officer within seven days of accepting any course of study.
  - b) Giving your case officer the name and contact details of the organisation offering that course of study.
  
10. You must immediately give a copy of these conditions to:
  - a) Any organisation or person you work for.
  - b) Any employers you apply to for work (at the time of application).
  - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
  
11. You must tell your case officer, within seven days of your becoming aware of:
  - a) Any clinical incident you are involved in.
  - b) Any investigation started against you.
  - c) Any disciplinary proceedings taken against you.
  
12. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
  - a) Any current or future employer.
  - b) Any educational establishment.
  - c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This will be confirmed to you in writing.

That concludes this determination.
