Agreed Removal Decision

Registrant: Gurprit Poonia

PIN: 08F0830E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Hampshire

On 30 May 2025 we received a referral raising a concern about Gurprit Poonia's fitness to practise. It's alleged that she failed to demonstrate the standards of knowledge, skill and judgment required to practise without supervision as a nurse in the following areas:

- catheterisation
- record keeping
- tissue viability
- professional conduct and communication with patients
- injection techniques.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Gurprit Poonia has yet been found substantively proved by one of our statutory committees.

Gurprit Poonia appears to accept the concerns raised about her, although she hasn't commented on the specific regulatory concerns she's explained that she recognises that her practice was not always to the standards of knowledge and skill required from her as a nurse.

On 26 February 2026 we received an application from Gurprit Poonia for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Gurprit Poonia's application for agreed removal, I've taken into account:

- agreed removal application dated 26 February 2026 and supporting documentation
- report to the case examiners and accompanying documentation
- case examiner decision letter dated 19 January 2026

- the interests of Gurprit Poonia
- the public interest.

We sought to contact the person who made the allegation against Gurprit Poonia for their comments on the application for agreed removal. No comments were received within a reasonable period.

I'm satisfied that:

- Gurprit Poonia no longer intends to work as a registered nurse
- the allegations against Gurprit Poonia aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Gurprit Poonia to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **21 May 2026**. In the event that Gurprit Poonia seeks readmission to the register, we may consider the matters that led to this agreed removal further.
