Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order

The panel has determined that the following conditions are proportionate and appropriate:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.'

1. You must limit your practice as a registered nurse to one substantive employer. This can be through an agency but must be one placement at one designated place of work at any one time, for a period of not less than four months.

2. You must not be the nurse in charge on any shift.

3. You must not be the sole nurse on duty anytime.

4. You must ensure that you are supervised by a registered nurse any time you are working. Your supervision must consist of working at all times on the same shift as, but not always directly observed by, a registered nurse.

5. You must meet with your line manager, mentor or supervisor fortnightly to discuss your clinical practice and conduct with particular regard to the following areas:

    a) Working within your scope of competence.

    b) Effective management and escalation of deteriorating patients.

    c) Effective prioritisation of patients.

    d) Effective record keeping

6. You must provide a report from your line manager, mentor or supervisor on your general clinical practice and conduct with specific reference to the following areas:

a) Working within your scope of competence.

b) Effective management and escalation of deteriorating patients.

c) Effective prioritisation of patients.

d) Effective record keeping

7. You must keep the NMC informed about anywhere you are working by:

a) Telling your case officer within seven days of accepting or leaving any employment.

b) Giving your case officer your employer's contact details.

8. You must keep the NMC informed about anywhere you are studying by:

a) Telling your case officer within seven days of accepting any course of study.

b) Giving your case officer the name and contact details of the organisation offering that course of study.

9. You must immediately give a copy of these conditions to:

a) Any organisation or person you work for.

b) Any agency you apply to or are registered with for work.

c) Any employers you apply to for work (at the time of application).

d) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.

10. You must tell your case officer, within seven days of your becoming aware of:

a) Any clinical incident you are involved in.

b) Any investigation started against you.

c) Any disciplinary proceedings taken against you.

11. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:

a) Any current or future employer.

b) Any educational establishment.

c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Ms Amako's case has already been concluded or there has been a material change of circumstances, a panel will review the interim conditions of practice order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim conditions of practice order at this meeting and Ms Amako will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Ms Amako will be invited to attend in person, send a representative on Ms Amako's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim conditions of practice order or it may replace it with an interim conditions of practice order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Ms Amako. The NMC will keep Ms Amako informed of developments in relation to that issue.

This will be confirmed to Ms Amako in writing.

That concludes this determination.
