Agreed Removal Decision

Registrant: Teik King Loi

PIN: 74Y0687E

Part(s) of the register: Nurse Independent / Supplementary Prescriber

Relevant Location: Greater London

On 4 June 2025 we received a referral raising a concern about Teik King Loi's fitness to practise. It's alleged that Teik King Loi's record keeping was poor and that she failed to follow guidelines for advanced or prescribing practice.

Teik King Loi accepted the concerns about her practice and demonstrated a level of insight from an early stage when the matter was initially brought to her attention.

We referred the matter to the case examiners and we're in the process of investigating the concerns. No allegation against Teik King Loi has yet been found substantively proved by one of our statutory committees.

On 14 May 2026 we received an application from Teik King Loi for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Teik King Loi's application for agreed removal, I've taken into account:

- comments received from the person who made the allegation against Teik King Loi
- documents obtained in the course of the NMC's processes
- the application for agreed removal
- the interests of Teik King Loi
- the public interest.

I'm satisfied that:

- Teik King Loi no longer intends to work as a registered nurse
- the allegations against Teik King Loi aren't likely to result in a striking-off order

- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Teik King Loi to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **25 November 2026**. In the event that Teik King Loi seeks readmission to the register, we may consider the matters that led to this agreed removal further.
