Decision and reasons on interim order

The panel decided to impose an interim conditions of practice order for a period of 12 months.

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your practice to your current employer, namely, Central and North West London NHS Foundation Trust;

2. You must keep the NMC informed in the event that you leave your current employer;

3. You must immediately give a copy of these conditions to:
   a) Your current employer;
   b) Any employers you apply to for work (at the time of application);
   c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.

4. You must tell your case officer, within seven days of your becoming aware of:
   a) Any clinical incident you are involved in.
   b) Any investigation started against you.
   c) Any disciplinary proceedings taken against you.

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you

or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC are currently scheduling this case for a substantive hearing.

This will be confirmed to you in writing.

That concludes this determination.
