Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. If you are working through an agency, you must remain in a single placement for no less than three months.

2. You must not work as the sole nurse on duty or as the nurse in charge on any shift.

3. You must be directly supervised anytime you are authorising, handling or administering controlled drugs.

4. You must meet your line manager or supervisor once a month to discuss your authorisation, handling and administering of controlled drugs.

5. You must provide the NMC with a report from your line manager or supervisor commenting on your authorisation, handling, and administration of controlled drugs in advance of the next hearing or meeting.

6. You must keep the NMC informed about anywhere you are working by:
   a) Telling your case officer within seven days of accepting or leaving any employment.
   b) Giving your case officer your employer's contact details.

7. You must keep the NMC informed about anywhere you are studying by:
    a) Telling your case officer within seven days of accepting any course of study.

9. You must tell your case officer, within seven days of your becoming aware of:
    a) Any clinical incident you are involved in.
    b) Any investigation started against you.
    c) Any disciplinary proceedings taken against you.

10. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:

    a) Any current or future employer.
    b) Any educational establishment.
    c) Any other person(s) involved in your retraining and/or supervision required by these conditions

Unless Ms Bira's case has already been concluded or there has been a material change of circumstances, a panel will review the interim conditions of practice order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim conditions of practice order at this meeting and Ms Bira will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Ms Bira will be invited to attend in person, send a representative on Ms Bira's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim conditions of practice order or it may replace it with an interim suspension order.

This will be confirmed to Ms Bira in writing.

That concludes this determination.
