Agreed Removal Decision

Registrant: Rita Denvir

PIN: 91D0034N

Part(s) of the register: Registered Nurse - Mental Health Nursing

Relevant Location: Armagh

On 17 January 2025 we decided to investigate a concern about Rita Denvir's fitness to practise. It's alleged that Rita Denvir failed to disclose to an employer that she had been subject to a disciplinary sanction and had been dismissed from previous employment and had been referred to the NMC.

Further concerns were raised that Rita Denvir had received criminal convictions for motoring offences in 2023 and 2024 and had failed to disclose these to the NMC and an employer.

Rita Denvir accepts all of the concerns, except for failing to disclose a live disciplinary sanction, as she considered the sanction wasn't live.

We referred these matters to the case examiners and we're in the process of investigating these concerns.

On 27 November 2025 we also decided to investigate a concern that Rita Denvir failed to declare that she had received police convictions on her application for readmission and subsequent revalidation to the NMC. This matter is still being investigated through our incorrect/fraudulent entry process. Rita Denvir accepts this concern.

No allegation against Rita Denvir has yet been found substantively proved by one of our statutory committees.

On 8 June 2026 we received an application from Rita Denvir for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Rita Denvir's application for agreed removal, I've taken into account:

- comments received from the person who made the allegation against Rita Denvir
- agreed removal application dated 8 June 2026 and supporting documents
- information obtained in the investigation of the cases so far
- the interests of Rita Denvir
- the public interest.

I'm satisfied that:

- I have sufficient information to understand the seriousness of the concerns raised
- Rita Denvir no longer intends to work as a registered nurse
- the concerns are of the type where agreed removal is not usually appropriate but there are exceptional circumstances which mean Rita Denvir's interests outweigh the public interest in the matter being dealt with by one of our statutory committees.

We'll publish a record of this decision for twelve months from the date of the decision, **19 October 2026**. In the event that Rita Denvir seeks readmission to the register, we may consider the matters that led to this agreed removal further.
