Agreed Removal Decision

Registrant: Susan McGregor

PIN: 94B0039S

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Angus

On 8 May 2024 we received a referral raising a concern about Susan McGregor's fitness to practise. The concerns raised are:

- theft of medication
- poor medications management
- failure to ensure privacy and confidentiality
- failure to respond appropriately during an emergency.

Susan McGregor admits taking medication from work on one occasion but denies the other concerns.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Susan McGregor has yet been found substantively proved by one of our statutory committees.

On 10 June 2026 we received an application from Susan McGregor for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Susan McGregor's application for agreed removal, I've taken into account:

- comments received from the person who made the allegation against Susan McGregor
- agreed removal application form and reflective documents from Susan McGregor
- documents obtained during the investigation of the case
- the interests of Susan McGregor
- the public interest.

I'm satisfied that:

- Susan McGregor no longer intends to work as a registered nurse
- the allegations against Susan McGregor aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Susan McGregor to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **1 October 2026**. In the event that Susan McGregor seeks readmission to the register, we may consider the matters that led to this agreed removal further.
