Agreed Removal Decision

Registrant: Jayne Elizabeth Wood

PIN: 84D0510E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Staffordshire

On 21 August 2024 we received a referral raising a concern about Jayne Elizabeth Wood's fitness to practise. It's alleged that while managing a care home she failed to put adequate systems in place to assess risk, ensure the safety and security of residents and ensure staff were appropriately trained for emergency situations. It's also alleged that she failed to properly report and manage a safeguarding incident, leaving residents at risk of harm. Jayne Elizabeth Wood accepts the concerns.

We investigated the concerns and they were referred to the Fitness to Practise Committee for adjudication. No allegation against Jayne Elizabeth Wood has yet been found substantively proved by one of our statutory committees.

On 27 April 2026 we received an application from Jayne Elizabeth Wood for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Jayne Elizabeth Wood's application for agreed removal, I've taken into account:

- response received from the person who made the allegation against Jayne Elizabeth Wood
- documents we've obtained during our investigation
- information about Jayne Elizabeth Wood's health
- the interests of Jayne Elizabeth Wood
- the public interest.

I'm satisfied that:

- Jayne Elizabeth Wood no longer intends to work as a registered nurse
- the concerns are of the type likely to result in a striking-off order but there are exceptional circumstances which mean Jayne Elizabeth Wood's interests

outweigh the public interest in the matter being dealt with by the Fitness to Practise Committee.

We'll publish a record of this decision for twelve months from the date of the decision, **27 October 2026**. In the event that Jayne Elizabeth Wood seeks readmission to the register, we may consider the matters that led to this agreed removal further.
