Nursing and Midwifery Council

Agreed Removal Decision

Registrant: Roshena Bynoe

PIN: 21G2006O

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: Staffordshire

On 26 March 2026 we received a referral raising a concern about Roshena Bynoe's fitness to practise. It's alleged that Roshena Bynoe failed to demonstrate the standards of knowledge, skill and judgement required to practise without supervision as a staff nurse in three places of employment. It's also alleged that Roshena Bynoe was dishonest by signing to say she was competent in areas of practice that she knew she was not.

Roshena Bynoe denies the allegations.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Roshena Bynoe has yet been found substantively proved by one of our statutory committees.

On 15 July 2026 we received an application from Roshena Bynoe for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Roshena Bynoe's application for agreed removal, I've taken into account:

- agreed removal application form dated 15 July 2026
- regulatory concerns response and other submissions
- reasons for the decision to send the case to the Fitness to Practise Committee
- information obtained during the investigation of the case
- the interests of Roshena Bynoe
- the public interest.

We invited the person who made the allegation against Roshena Bynoe to comment on the application for agreed removal. No comments were received by the time the application was considered.

I’m satisfied that:

- Roshena Bynoe no longer intends to work as a registered nurse
- although the concerns are at the more serious end of the spectrum the allegations against Roshena Bynoe aren’t likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Roshena Bynoe to leave the NMC register.

We’ll publish a record of this decision for twelve months from the date of the decision, **30 September 2026**. In the event that Roshena Bynoe seeks readmission to the register, we may consider the matters that led to this agreed removal further.
