## Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order, as follows:

*'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.*

*1) You must only work for a single substantive employer, this must not be an agency*

*2) You must be indirectly supervised any time you are working. Your supervision must consist of working on the same shift as but not always directly supervised by another registered nurse in an equivalent or senior position to yours.*

*3) You must not prescribe any medicines until you are deemed competent to do so and signed off by a designated prescribing practitioner.*

*4) You must meet fortnightly with your line manager or supervisor to discuss:*

- Maintaining professional boundaries*
- Communication and interaction with patients and service users*
- Your current scope of practice*
- Following local procedures and pathways*
- Administration and management of medicines (including independent prescribing where relevant)*

*5) You must send the NMC in advance of the next NMC hearing or meeting a report from your line manager, or supervisor commenting on:*

- Maintaining professional boundaries*
- Communication and interaction with patients and service users*

- *Your current scope of practice*
- *Following local procedures and pathways*
- *Administration and management of medicines (including independent prescribing where relevant)*

6) *You must keep the NMC informed about anywhere you are working by:*

- a) *Telling your case officer within seven days of accepting or leaving any employment.*
- b) *Giving your case officer your employer's contact details.*

7) *You must keep the NMC informed about anywhere you are studying by:*

- a) *Telling your case officer within seven days of accepting any course of study.*
- b) *Giving your case officer the name and contact details of the organisation offering that course of study.*

8) *You must immediately give a copy of these conditions to:*

- a) *Any organisation or person you work for.*
- b) *Any employers you apply to for work (at the time of application).*
- c) *Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.*
- d) *Any current or prospective patients or clients you intend to see or care for on a private basis when you are working in a self-employed capacity*

9) *You must tell your case officer, within seven days of your becoming aware of:*

- a) *Any clinical incident you are involved in.*
- b) *Any investigation started against you.*
- c) *Any disciplinary proceedings taken against you.*

10) *You must allow your case officer to share, as necessary, details*

*about your performance, your compliance with and / or progress under these conditions with:*

- a) Any current or future employer.*
- b) Any educational establishment.*
- c) Any other person(s) involved in your retraining and/or supervision required by these conditions.'*

Unless Mr Gyalus's case has already been concluded or there has been a material change of circumstances, a panel will review the interim conditions of practice order at a review meeting within the next six months and every six months thereafter. A panel will be invited by the Nursing and Midwifery Council (NMC) to confirm the interim conditions of practice order at this meeting and Mr Gyalus will be notified of the panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Mr Gyalus will be invited to attend in person, send a representative on Mr Gyalus's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim conditions of practice order or it may replace it with an interim suspension order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Mr Gyalus. The NMC will keep Mr Gyalus informed of developments in relation to that issue.

This will be confirmed to Mr Gyalus in writing.

That concludes this determination.
