Agreed Removal Decision

Registrant: Jade Megan Linton

PIN: 13B0200E

Part(s) of the register: Registered Nurse - Adult

Relevant Location: Suffolk

On 2 November 2023 we received a referral raising a concern about Jade Megan Linton's fitness to practise. The referral gave rise to a concern that Jade Megan Linton's fitness to practise may be impaired by reason of health.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Jade Megan Linton has yet been found substantively proved by one of our statutory committees.

On 24 July 2026 we received an application from Jade Megan Linton for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Jade Megan Linton's application for agreed removal, I've taken into account:

- comments received from the organisation who made the allegation against Jade Megan Linton
- the evidence we gathered during the course of our investigation
- the interests of Jade Megan Linton
- the public interest.

I'm satisfied that:

- Jade Megan Linton no longer intends to work as a registered nurse
- the allegations against Jade Megan Linton aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Jade Megan Linton to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **18 September 2026**. In the event that Jade Megan Linton seeks readmission to the register, we may consider the matters that led to this agreed removal further.
