Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order.

The panel was of the view that the public would remain suitably protected by the confirmation of the following conditions:

'For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery, or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery, or nursing associates.

1. *You must restrict your nursing practice to your current employer, Carrickfergus Health Centre, Northern Health and Social Care Trust.*
2. *You must restrict your practice to an administrative role, with no patient facing duties, no contact with service users and no access to patient records or information systems.*
3. *You must keep the NMC informed about anywhere you are working by:*
 - a) *Telling your case officer within seven days of accepting or leaving any employment.*
 - b) *Giving your case officer your employer's contact details.*
4. *You must keep the NMC informed about anywhere you are studying by:*
 - a) *Telling your case officer within seven days of accepting any course of study.*
 - b) *Giving your case officer the name and contact details of the organisation offering that course of study.*
5. *You must immediately give a copy of these conditions to your employer, Carrickfergus Health Centre, Northern Health and Social Care Trust.*

6. *You must tell your case officer, within seven days of your becoming aware of:*
 - a) *Any investigation started against you.*
 - b) *Any disciplinary proceedings taken against you.*

7. *You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:*
 - a) *Any current or future employer.*
 - b) *Any educational establishment.*
 - c) *Any other person(s) involved in your retraining.'*

Unless there has been a material change of circumstances, a panel will review the interim conditions of practice order at an administrative meeting within the next six months. The reviewing panel will be invited by the NMC to confirm the order at this meeting and Mrs Quinn will be notified of that panel's decision in writing following that meeting.

Alternatively, Mrs Quinn is entitled to have the interim conditions of practice order reviewed at a hearing. This means that Mrs Quinn will be able to attend and make representations, send a representative on her behalf or submit written representations about whether the order continues to be necessary. Mrs Quinn must inform her case officer if she would like the interim conditions of practice order to be reviewed at a hearing.

Even if Mrs Quinn does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Mrs Quinn and her representative will be invited to attend.

This decision will be confirmed to Mrs Quinn in writing.

That concludes this determination.
