Decision and reasons on interim order

The panel decided to confirm the current interim conditions of practice order.

The panel has determined to confirm the following conditions:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.'

1. You must limit your practice to one substantive employer and working in one clinical setting.
2. You must not be the nurse in charge of any shift.
3. You must ensure that you are supervised any time you are working.
Your supervision must consist of working at all times on the same shift as, but not always directly observed by, another registered nurse.
4. You must meet at least monthly with your designated manager, mentor, or supervisor to discuss your performance in the following areas of concern:
 - a) Safeguarding
 - b) Communication
5. You must send your NMC officer a report from your designated manager, mentor, or supervisor before any review hearing. This report must discuss and comment upon the following areas of concern:
 - a) Safeguarding
 - b) Communication
6. You must keep the NMC informed about anywhere you are working by:

- a) Telling your case officer within seven days of accepting or leaving any employment.
 - b) Giving your case officer your employer's contact details.
7. You must keep the NMC informed about anywhere you are studying by:
- a) Telling your case officer within seven days of accepting any course of study.
 - b) Giving your case officer the name and contact details of the organisation offering that course of study.
8. You must immediately give a copy of these conditions to:
- a) Any organisation or person you work for.
 - b) Any employers you apply to for work (at the time of application).
 - c) Any establishment you apply to (at the time of application), or with which you are already enrolled, for a course of study.
9. You must tell your case officer, within seven days of your becoming aware of:
- a) Any clinical incident you are involved in.
 - b) Any investigation started against you.
 - c) Any disciplinary proceedings taken against you.
10. You must allow your case officer to share, as necessary, details about your performance, your compliance with and / or progress under these conditions with:
- a) Any current or future employer.
 - b) Any educational establishment.
 - c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

Unless there has been a material change of circumstances, a panel will review the interim conditions of practice order at an administrative meeting within the next six months. The

reviewing panel will be invited by the NMC to confirm the order at this meeting and Ms Tache will be notified of that panel's decision in writing following that meeting.

Alternatively, Ms Tache is entitled to have the interim conditions of practice order reviewed at a hearing. This means that Ms Tache will be able to attend and make representations, send a representative on her behalf or submit written representations about whether the order continues to be necessary. Ms Tache must inform her case officer if she would like the interim conditions of practice order to be reviewed at a hearing.

Even if Ms Tache does not request a hearing, where there has been a material change of circumstances that might mean that the order should be revoked or replaced, a panel will review the order at a hearing to which Ms Tache and her representative will be invited to attend.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Ms Tache. The NMC will keep Ms Tache informed of developments in relation to that issue.

This decision will be confirmed to Ms Tache in writing.

That concludes this determination.
