Agreed Removal Decision

Registrant: Jason Lee Webb

PIN: 92C0877E

Part(s) of the register: Registered Nurse - Adult Nursing

Relevant Location: County Durham

On 13 March 2025 we received a referral about Jason Lee Webb's fitness to practise. It's alleged that:

- Jason Lee Webb made an inappropriate comment about a female urinal during a conversation in a work WhatsApp group chat.
- Jason Lee Webb made an inappropriate comment to a male patient whilst shadowing a digital rectal stimulation procedure in that he said it must be nice or pleasurable to get the 'g-spot' stimulated or words to that effect.

We investigated the issue and the matter was referred to the Fitness to Practise Committee. No allegation against Jason Lee Webb has yet been found substantively proved by one of our statutory committees.

Jason Lee Webb admits the concerns raised and has shown some insight into the concerns.

On 29 April 2026 we received an application from Jason Lee Webb for agreed removal from the NMC register.

ASSISTANT REGISTRAR'S DECISION

As an Assistant Registrar, I have delegated authority to make decisions about agreed removal and have agreed to removal from the NMC register in this case.

In accordance with Rule 14 of the Nursing and Midwifery Council (Education, Registration and Registration Appeals) Rules 2004, in considering Jason Lee Webb's application for agreed removal, I've taken into account:

- agreed removal application form dated 29 April 2026
- draft charges
- report to the case examiners and accompanying documentation
- case examiner decision letter dated 27 April 2026
- the interests of Jason Lee Webb
- the public interest.

We invited the person who made the allegation against Jason Lee Webb to comment on the application for agreed removal. No comments were received by the time the application was considered.

I'm satisfied that:

- Jason Lee Webb no longer intends to work as a registered nurse
- the allegations against Jason Lee Webb aren't likely to result in a striking-off order
- there are no other good reasons requiring us to consider the allegations further at this time
- the public interest is best served by agreeing the application for removal and enabling Jason Lee Webb to leave the NMC register.

We'll publish a record of this decision for twelve months from the date of the decision, **28 September 2026**. In the event that Jason Lee Webb seeks readmission to the register, we may consider the matters that led to this agreed removal further.
