

OSCE Test of Competence 2023: Specific Equipment List (All Fields of Nursing and Midwifery)

Below is a list of five pieces of equipment that candidates most struggle with. We have provided the brand, make, model and photo of the piece of equipment each test centre is currently using. The full equipment list can be found here, however, due to availability, sometimes different brands and variants are stocked:

<https://www.nmc.org.uk/globalassets/sitedocuments/registration/toc-materials-2023/equipment-list/equipment-list-2021.pdf>

Equipment item	Leeds	Oxford Brookes	Northampton	Northumbria	Ulster
<p>Vital signs monitor</p>	 <p>Edan</p>	 <p>GE Medical Systems Information Technologies, Inc Carescape v100 Ref; 2038172-001</p>	 <p>HUNTLEIGH SC300 NiBP, Pulse and SpO2</p>	 <p>Carescape V100 Vital Signs Monitor</p>	 <p>Dynamap Multi-Parameter Patient Monitor PC- 3000</p>
