Who we are

We are the Nursing and Midwifery Council (NMC).

We keep the list of all the nurses and midwives who can work in the UK.

We also keep the list of all the nursing associates who can work in England.

This list is called
the register.

We make sure the
people on our register
have the skills and
knowledge they need
to do their jobs well.

This way people will
be safer, healthier and
trust our services.

We make sure
everyone is treated
equally, fairly and
included in everything
we do.

We work with other people and organisations to make sure we do this in the best way.

We collect information about the nurses, midwives and nursing associates as part of our work.

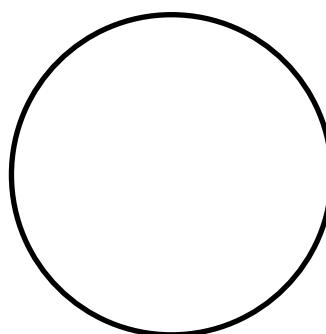

This includes information about how they feel about where they learn and do their jobs.

I am happy for what I talk about and/or pictures of me to be shared by the Nursing and Midwifery Council in their communications.
